### INSTALLATION IS EASY!

#### HARDWARE

Made of Polished Stainless Steel, our Spark Plug Wire Covers not only hide the unsightly jumble of wires but they add personality and style!

Remove the two most forward valve cover bolts. Attached the new bolts to the valve cover. Use the rubber washers to hold everything in place while you slide new bolts into place and tighten!

Installation not going as smoothly as you had hoped? Just give us a call 864-907-6004 or email Tech@DDMWorks.com.
